

Potluck – A Feast of Gentle Bravery

Hold space, share food, grow community – bring a plate!

Saturday 24 August

6pm to 9pm

Progress Hall, Fremantle PCYC

2/34 Paget St, Hilton

Greetings daring foodies!

Here's some information to help you prepare for a fabulous night at the Potluck Banquet.

Preparing Your Dish:

Only bring what you need to serve your dish (dish, serving spoon etc). Each table will have a complete place setting for each guest.

Bring your dish **ready to serve** (hot or cold). The service staff will place your dish in a warmer or fridge on arrival to maintain the temperature.

There will NOT be facilities to heat, cook or freeze dishes in the venue.

Take note if your dish contains common allergens (nuts, shellfish, dairy etc) so that you can notify guests at your table if required. There will be allergen labels available.

There will be up to **10 guests seated at your table** (including yourself) so please make enough for everyone at your table to have a small serve of your dish.

We're looking for people's **home-made gems**, it doesn't have to be fancy, just delicious and made with love.

Table Allocation:

Tables will be allocated on arrival to ensure an **even spread of dishes**. Larger groups may be split across more than one table to facilitate this. But never fear there will be plenty of mixing and mingling during the night.

Each table will **play host to a singer** (or 2) from the FAC Yeah! Community Choir who will be sharing their song.

Efforts will be made to seat common dietary requirements together, however if you have specific needs (vegan, allergies etc) **please declare this to all guests at your table** so they can flag any dishes you should avoid.

On arrival at the Progress Hall our delightful Front of House team will give you a label for your dish and further instructions before you enter the venue.

If you have any questions, please email festivals@fremantle.wa.gov.au with the subject line POTLUCK
